To My Friends and Patrons, Greeting:

I wish to thank you sincerely for your kind and liberal patronage and hope your dealing with me has proved so satisfactory you will again favor me with your orders this season. C. W. BURNETT.

OUR aim, as heretofore, is to supply seed potatoes of the highest possible vitality and at reasonable prices. Our locality is particularly adapted for growing potatoes of the best quality and, coupled with our long experience and modern facilities we are enabled to produce high class potatoes at moderate cost. We grow potatoes as a specialty, not as a side issue. Our potatoes are thoroughly sprayed with Bordeaux mixture each season and liberally fertilized, thus attaining the maximum of health and vigor.

We guarantee all seed sold by us true to name to the extent that I will replace any that should prove otherwise, free of cost. The seed is shipped in good condition, 60 pounds to the bushel, in three and four bushel barrels. Terms strictly cash with order. No charge for barrels, boxes or sacks, and we deliver free on board cars. Orders acknowledged promptly and shipment made as early as weather permits.

Our shipping facilities are unsurpassed, being on the New York Central, Lehigh Valley, and Pennsylvania systems.
